

# WE ARE HIRING

## Remote/Virtual Therapist

Bee Kind Counselling is a growing private practice in Ontario that offers virtual therapy sessions to individuals, couples and families. We are looking to hire a kind, compassionate and dedicated Registered Social Worker (MSW) to provide virtual therapy sessions. We are looking for someone who is able to offer flexibility and patience in growing your caseload of clients with our growing practice.

### Key Requirements

- Registered Social Worker (MSW) with OCSWSSW.
- Ability to work day/evening shifts.
- Access to high-speed reliable internet (Remote Position).
- Experience working in a therapeutic setting.

**Please read below for further information  
on this position.**

## **Qualifications:**

- Must have MSW and be Registered in good standing with the OCSWSSW.
- Must have reliable high-speed internet connection along with a private space to work as this is a REMOTE position.
- Lived experience and/or strong knowledge/understanding within the 2SLGBTQ+ community and/or ADHD is considered an asset as this is the primary focus of our clinic.
- You have comfort and experience using virtual/phone methods for therapy.
- You are a motivated therapist willing to collaborate with our team as we build your caseload.
- You have experience working in a Mental Health setting providing therapeutic services.
- You have strong clinical documentation skills and are able to complete case notes in a timely manner.
- Professional Development/training or experience is considered an asset.
- You have up-to-date professional Liability insurance or you commit to having said insurance prior to your start date.
- You are passionate and value the work you do as a social worker and are willing to collaborate with the team as a whole.

## **By joining our team you will be provided with:**

- Beginning with Part-Time hours, with potential to grow into Full-Time hours.
- A safe and inclusive work environment that values family time, work/life balance, and physical/mental/spiritual wellness.
- Flexible work schedule and full-control over schedule settings.
- A supportive Administrative team to take care of all administrative tasks so you can focus on client care and professional development.
- Collaborative team approach with check-in/support meetings.

# About Bee Kind Counselling

Bee Kind Counselling strives to create a safe and inclusive space for our clients as we support them throughout their healing journey. We are committed to providing client-centered support to those aged 12+, with a focus on supporting those within the 2SLGBTQ+ community as well as those with ADHD. That being said, we recognize the other challenges and/or concerns one may face and also support those experiencing anxiety, depression, stress/burnout, low self-esteem, etc.

Bee Kind Counselling values the lived experience of our Therapists in hopes to foster an environment where the client feels seen, heard and valued. Bre (she/her), the founder of Bee Kind Counselling has found great success in combining both lived experience and social work knowledge while working with clients experiencing these issues. We encourage applicants of all ages, identit(ies), cultural backgrounds, etc. to apply for this position as we hope to continue to diversify our team to further support our clients.

We are looking for folks with lived experience to match our intersectional community of clients.

## **How to apply:**

Please send your cover letter and resume to [admin@beekindcounselling.com](mailto:admin@beekindcounselling.com) along with answers to the following questions:

1. Do you hold a Masters of Social Work Degree and Registered with the Ontario College of Social Workers and Social Service Workers (OCSWSSW)?
2. Are you willing to work both day time and evening time shifts?
3. Do you have either lived experience or strong knowledge/professional experience working with the LGBTQIA+ community and/or the people with ADHD?

**Thank you for considering a position in our clinic! We look forward to meeting with you.**
